

Uxbridge Historical Commission
21 South Main Street
Uxbridge, MA 01569

Subject: Meeting Minutes for 1 December 2021

REC'D UXB TOWN CLERK
2022 MAR 24 AM 9:59

1. The Commission met jointly with the Capital Planning Committee at 7PM in the lower Town Hall. Historical Commission members present were: Mary Beauchamp, Faye McCloskey, Peter Emerick, Jeffrey Brochu, David Moriarty, and Michael Potaski. Members absent were Roy Henry and Diane Dearborn.
2. The Farnum House restoration project was the sole topic of discussion. The Capital Planning Committee was skeptical about the cost estimates in the "Architectural Survey & Feasibility Study for the Cornet John Farnum House" provided by the firm of Spencer, Sullivan, & Vogt. The Capital Planning Committee appeared to prefer constructing a replica of the building over an actual restoration.
3. The Capital Planning Committee ended the meeting saying it needed to consult with the Town Manager.
4. There being no further business, Peter Emerick moved that the Historical Commission adjourn and Jeffrey Brochu seconded. The motion passed unanimously.

Respectfully submitted,

Michael R. Potaski
